Travelling by car

Leave the A1 at the junction with the A607 and follow the signs to Grantham. Pass a fire station on the left and at the traffic lights ahead fork right. At the next lights turn right into Caunt Road. The Boilerhouse is 200m ahead on the left. Park either in front of the building or in the larger carpark shown on the map above.

Travelling by rail

Grantham is serviced by National Express and Hull Trains on the main East Coast line, and is an hour’s journey from London. Taxis are available at the station. Ask for Springfield Business Park which is accessed directly from Caunt Road.
