The Institute of Materials,  
Minerals and Mining

COMPANY MEMBERSHIP OF THE INSTITUTE OF MATERIALS, MINERALS AND MINING

# INDUSTRY AFFILIATE SCHEME MEMBERSHIP

## WHAT'S IN IT FOR ME?

### WHAT IS THE INSTITUTE OF MATERIALS, MINERALS AND MINING?

The Institute of Materials, Minerals and Mining (IOM3) is a leading UK science and engineering institution whose activities encompass the whole materials cycle, from exploration and extraction, characterisation, product design, processing, forming, finishing and application, to product recycling and land reuse.

IOM3 exists to promote and develop all aspects of materials science and engineering, geology, mining and associated technologies, mineral and petroleum engineering and extraction metallurgy, as a leading authority in the worldwide materials and mining community.

### WHAT IS THE INDUSTRY AFFILIATE SCHEME?

Selecting appropriate materials and processes is critical for wealth creation from innovative products and services.

Established in 1996, the IOM3 Industry Affiliate Scheme (IAS) offers organisations the benefits of Institute membership along with access (via its information services) to its unrivalled knowledge and understanding of engineering materials and their processing.

The scheme was originally established to support SMEs that do not have in-house materials expertise, are diversifying or who want specific access to materials, mining and minerals data. Over the last 17 years IAS has broadened its appeal and now counts a significant number of large multinational organisations within its membership.

To join, visit  
[www.iom3.org/ias](http://www.iom3.org/ias)

### THE BENEFITS OF IAS MEMBERSHIP

Member benefits are focused around the following areas:

- Technical support
- Professional development of staff
- Access to materials information and research
- Raising a member's profile within the materials community

To ensure that the IAS scheme delivers maximum benefit to its members, new features have been added to the membership package. These include:

- Discounted IOM3 group membership for apprentices and technicians working within a member organisation
- Increased discounts on IOM3 products and services
- Increased online and virtual access to member benefits

### THE IAS MEMBERSHIP PACKAGE

The Industry Affiliate Scheme offers both Full and Affiliate Membership options. Full membership fees are linked to the size of an organisation. An incentivised membership rate is available to academic institutions.

### ANNUAL IAS MEMBERSHIP FEES

- Full IAS membership for organisations with fewer than 250 employees - £650 + VAT
- Full IAS membership for academic institutions - £650 + VAT
- Full IAS membership for organisations with more than 250 employees - £950 + VAT
- Affiliate membership - £350 + VAT

Membership is site specific but any employee on that site can access the scheme.

A comprehensive listing of member benefits is detailed in the table.

## IAS MEMBER BENEFITS – A PARTNERSHIP WITH INDUSTRY

BENEFITS	FULL MEMBERSHIP	AFFILIATE MEMBERSHIP
<b>Technical Support for your Organisation</b>	<ul style="list-style-type: none"> <li>• A day of free consultancy from a materials advisor to provide advice on materials selection, processing and problem solving <sup>1</sup></li> <li>• Free online access to IMMAGE for twelve months</li> <li>• Free and unlimited access to MIS Helpdesk</li> </ul>	<ul style="list-style-type: none"> <li>• Free and unlimited access to MIS Helpdesk</li> <li>• Free online access to IMMAGE for twelve months</li> </ul>
<b>Professional Development for your Staff</b>	<ul style="list-style-type: none"> <li>• Discounted group membership for apprentices and technicians working within your organisation <sup>2</sup></li> <li>• 7.5% discount on IOM3 Training Academy courses <sup>4</sup></li> </ul>	<ul style="list-style-type: none"> <li>• Discounted group membership for apprentices and technicians working within your organisation <sup>2</sup></li> <li>• 7.5% discount on IOM3 Training Academy courses <sup>4</sup></li> </ul>
<b>Access to Materials Information and Research</b>	<ul style="list-style-type: none"> <li>• A 50% discount on literature searches <sup>3</sup></li> <li>• Unlimited online access to <i>Materials World</i> magazine, IOM3 technical journals and conference proceedings</li> <li>• A free of charge subscription to a chosen IOM3 member magazine <sup>5</sup></li> <li>• A 20% discount on IOM3 conference delegate rates</li> </ul>	<ul style="list-style-type: none"> <li>• Unlimited online access to <i>Materials World</i> magazine, IOM3 technical journals and conference proceedings</li> <li>• A free of charge subscription to a chosen IOM3 member magazine <sup>5</sup></li> </ul>
<b>Raise the Profile of your Organisation within the Materials Community</b>	<ul style="list-style-type: none"> <li>• Up to 30% discount on display advertising within IOM3 member magazines (depending on volume booked)</li> <li>• A 20% discount on recruitment advertising within IOM3 member magazines</li> <li>• A 10% discount on sponsorship and exhibition packages at IOM3 organised conferences</li> <li>• A free of charge enhanced listing in the IOM3 online supplier directory (value £140)</li> <li>• A 25% discount on meeting space at IOM3 London and Grantham offices</li> <li>• Promotion of your organisation's IAS membership on the IOM3 website</li> </ul>	<ul style="list-style-type: none"> <li>• A free of charge enhanced listing in the IOM3 online supplier directory (value £140)</li> <li>• Promotion of your organisation's IAS membership on the IOM3 website</li> <li>• A 25% discount on meeting space at IOM3 London and Grantham offices</li> </ul>

<sup>1</sup> For IAS members outside of the UK this will be delivered via video conferencing. Consultancy time can alternatively be used to deliver "in house" training of staff.

<sup>2</sup> Organisations with over 250 employees – twelve free of charge apprentice and technician memberships and six free of charge affiliate memberships. Organisations with 249 or fewer employees – eight free of charge apprentice and technician memberships and four free of charge affiliate memberships. Affiliate members – six free of charge apprentice and technician memberships and two free of charge affiliate memberships.

Thereafter each additional apprentice and technician membership will be charged at £10 per head and each affiliate grade membership at £25 per head. Technicians who satisfy the requirements for the TIMMM grade will be charged at the normal subscription rates less 20%.

<sup>3</sup> Discounts would not apply to literature reviews (in depth research and reports) and data compilation (company statistics, production figures etc).

<sup>4</sup> Discount applicable to six individual delegate course bookings a year.

<sup>5</sup> Digital version via ezine or APP.
