

Library Packaging Collection

The Packaging Collection is shelved in stack 57-58. It comprises a small collection of books, journals, reports. Most of the items are catalogued.

Accessing the online IOM3 Library catalogue ICON

<https://icon.iom3.org/>.

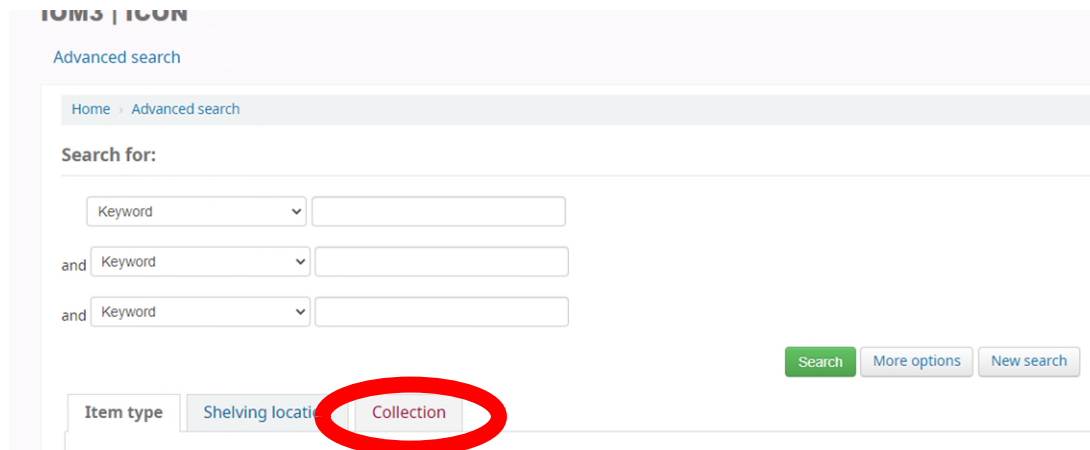

You do not need a borrower account to search the catalogue.

The screenshot shows the IOM3 ICON homepage. At the top, there is a red banner with the IOM3 ICON logo. Below the banner, there is a search bar with a dropdown menu set to 'Library catalogue' and a green 'Go' button. Below the search bar, there is a link for 'Advanced search' which is circled in red. To the left of the main content area, there is a 'Quick links' section with a link to 'Home' and a link to 'IOM3 Library'. Below the 'Quick links' section, there is a link to 'ICON User Guide - download'. To the right of the 'Quick links' section, there is a red heading 'Welcome to ICON, IOM3 Catalogue ONLINE' and a paragraph of text about the IOM3 Institute of Materials, Minerals & Mining.

To search the Packaging Collection specifically, click on "Advanced search" just below the main search box.

On the Advanced search screen select the Collection tab.
