Photocopy Order and Copyright Declaration Form

Please supply me with a copy of the material specified below,

which is required for research for non-commercial purpose or private study: ☐

which is required for commercial purposes: ☐

Article in a periodical, the particulars of which are:

Author:	
Paper title:	
Journal title:	
Vol., no., date, page nos.:	

Part of a published work, the particulars of which are:

Author:	
Title:	
Chapter no./Page nos.:	

I declare that

- (a) I have not previously been supplied with a copy of the same material by you or any other information professional;
- (b) I will not use the copy except for research for a *non-commercial purpose* or private study (if applicable) and will not supply a copy of it to any other person; and
- (c) to the best of my knowledge no other person with whom I work or study has made or intends to make, at or about the same time as this request, a request for substantially the same material for substantially the same purpose.

I understand that if the declaration is false in a material particular, the copy supplied to me by you will be an infringing copy, and that I shall be liable for infringement of copyright.

At the Institute of Materials, Minerals & Mining (IOM3) we are committed to protecting your personal data and will process it in compliance with Data Protection law. For more information on how we process and protect your data and your rights under the new General Data Protection Regulation (from 25 May 2018) please see our Privacy Notice at www.iom3.org/privacy-notice

PHOTOCOPIES GUIDE

Before you sign the Photocopy Request and Declaration form, you need to decide whether you intend to use a photocopy for commercial or non-commercial purpose.

Commercial Copying

- Research relevant to R&D in a commercial company (e.g. product development)
- Research relevant to R&D where result will be passed to a commercial company for commercial use
- Market research or competitor intelligence in all organisations
- Searching for legislation and regulation for a commercial company
- Work done by an information broker for clients

Non-Commercial Copying

- R&D in education establishments which is not related to any commercial venture
- Employees' own private research or study, unrelated to any commercial venture
- Research on a genuinely pro-bono basis
- Any individual's private research or study, unrelated to any commercial venture
