**The Powder Metallurgy Industry in the UK
- the next ten years**

Report on the second phase of an investigation of the challenges and opportunities facing the powder metallurgy industry in the UK, conducted over the period October 1999 to May 2000 as part of the Department of Trade and Industry's Foresight Programme.

The Contract (ART 5/8, 6 September 1999) for the work was placed with IOM Communications Ltd, a wholly owned subsidiary of the Institute of Materials, London.
