Roadmap for SPF

- **2006**: GM Quick Plastic Forming
- **2007**: Superplastic tube forming
- **2008**: Friction stir Processing & welded inserts
- **2009**: Superplastic Prosthetic Forming & Medical devices
- **2010**: First Laser Induced Superplasticity Forming Cells
- **2012**: SPF reaches the moon
- **2015**: SPF/DB of low cost aluminium alloys
- **2015**: Computer modeling systems incorporating intelligent adaptive tool surfacing
