# November Lecture

Sponsored  
by

## Collaboration & Innovation to achieve Net Zero

Wednesday 1<sup>st</sup> November 6pm

Centuria Building, Teesside University TS1 3QD

**Hallam  
Wheatley  
Collaboration  
Lead  
Glass Futures**

As we strive towards net zero, it's more important than ever to innovate. However, this isn't without its challenges of both resource and cost, Glass Futures believe that the best way to innovate is to collaborate to create a sustainable future, enabled by glass.

Approved  
for CPD  
2023

CIE lectures qualify for Continuing Professional Development
