

Southern Counties  
Materials, Minerals  
& Mining Society

Affiliated  
with **I·M3**

# IOM3 Professional Development

30 September 2021 | 13:00—14:00

**Ian Bowbrick**, Director of Membership & Professional Standards will be joining us to discuss the requirements for professional membership of IOM3 and professional registration as a Chartered Engineer/Scientist.

He will also talk about the growing importance of recording CPD and the professional regulatory requirements that both professional members and Chartered Engineers have to fulfil.
