The following information regarding upcoming tailings and related programmes and activities is shared on behalf of AusIMM and IIMCh.

AusIMM

**Global Tailings Standard webinar Friday 4th September 2020, 11.00–12.00 PM AEST**

AusIMM is pleased to host a webinar to provide cross-industry perspectives on the Standard, with a particular focus on understanding how mining professionals and companies can be further supported to reach the goal of “zero harm to people and the environment with zero tolerance for human fatality”.

This event is free for AusIMM, GMPA and ICMM members

IIMCh

**XI Copper 2022 to be held in Santiago, Chile, November 13-17, 2022.**

Series of conferences started in 1987

2022 version organised by Instituto de Ingenieros de Minas de Chile (IIMCH)

Partners: MetSoc (Canada); TMS/SME (USA); MMJ (Japan); GDDB (Germany); NFSOC (China); SAIMM (SouthAfrica); IIMP (Peru) and IIMCH (chile).

Technical symposiums considered:

- Economics, Markets
- Mineral Processing
- Pyrometallurgy
- Hydrometallurgy
- Electrometallurgy
- **Sustainability**
- Process Control, Optimisation and Automation

- Geometallurgy

*Waste Management* will include tailings, waste rock dumps and leaching piles/pds disposal. Waste management coordinated by Luis Valenzuela from IIMCH [valenzuelapluis@gmail.com](mailto:valenzuelapluis@gmail.com)

Technical Committee on Mining Waste (tailings) at the International Society of Soil Mechanics and Geotechnical Engineering (ISSMGE).

Chairman of the TC – 221 of the ISSMGE is Prof. Ramon Verdugo of Chile [rverdugo@cmgi.cl](mailto:rverdugo@cmgi.cl)
The TC-221 was formed early in 2020 and their activities have been focused in forming an international working group, mainly on tailings and presently is organising a series of presentations by specialists.

A detailed description of the TC – 221 scope and programming will be made available shortly on the GMPA GAT Basecamp portal.

A tailings conference is planned to take place in a few months. Details will be posted on the website https://www.issmge.org/committees/technical-committees/applications/tailing-and-mine-wastes

**Paste 2020 - online conference organised by Gecamin and sponsored by ACG, Australia and AMTC will be held on 2nd to 6th November 2020 in Santiago, Chile.**
