LEAN SIX SIGMA COURSE

AT A GLANCE

- Enhance management approaches with Lean Six Sigma
- Remove waste and ensure quality delivery
- Work through the Lean Six Sigma Belt levels
- Improve processes whilst decreasing costs
- Acquire knowledge of DMAIC and DMADV methods

The first level in the Lean Six Sigma series is the Lean Six Sigma Yellow Belt. This is an introductory course that teaches delegates the basics of Lean Six Sigma.

The second stage is the Lean Six Sigma Green Belt. A Green Belt is supposed to be familiar with the concepts of the Yellow Belt, however, the Green Belt covers Yellow Belt concepts within its course content. A Lean Six Sigma Green Belt certified professional is capable of handling a team of Lean Six Sigma Yellow Belts.

The third phase is the Lean Six Sigma Black Belt. To qualify for this stage, the delegate must be a Green Belt holder. They should also be capable of handling Green Belt Projects (at least ten of these).

Week 1

Yellow & Green Belt Course
 Monday 25 March - Friday 29 March 2019, Grantham

Week 2

Black Belt Upgrade Course
 Monday 29 April - Friday 3 May 2019, Grantham

Full 10 Day Course
 Both weeks, Grantham

Costs: Please email Johanna.thompson@iom3.org

CERTIFICATE IN MANAGEMENT 2019

The IOM3 **Certificate in Management** has been purposefully themed and structured to meet the management training needs of the member in or about to take up their first management/supervisory position, with the flexibility to study through a one-day short course format.

Five one-day short courses will be hosted during the course of a year. The Certificate in Management will be awarded on successful completion of all five courses. Alternatively the courses can be studied as one-offs or in smaller combinations.

The short courses being hosted are:

- Management skills: Performance Management Foundation
- Management skills: Leadership & Management Workshop
- Understanding Finance and Budgets
- Project Management Skills
- How to Manage Change Effectively

COURSE FEES

For those students wishing to take the full Certificate then the cost will be £1500 and will be paid on registration. Each one-day short course costs £400, which is inclusive of all learning materials and refreshment including lunch.

Paid up members of IOM3 at any grade are eligible for a discount of 15% or saving of £60 per short course or £225 for the full Certificate.

Course 1
