ROLLS6 postponed until June 2021

It is with deep disappointment that IOM3 has today announced that Rolls6, scheduled to take place in London on 3–5 June 2020 will be postponed until 23-25 June 2021 following the escalation of Coronavirus (COVID-19).

We have been closely monitoring the situation for a number of weeks. Following the latest UK Government advice, uncertainty and with our delegates, sponsors, exhibitors and employees' wellbeing our main priority, it is right that we to postpone the conference until June next year.

This is not a decision we have taken lightly, and we are determined that the event planning for 2021 will continue; focused on delivering a bigger and better event than ever before.

Henk Bolt, Tata Steel Europe, Chairman of Rolls6, said, ‘Though we are truly disappointed not to be able to welcome you in June 2020, our primary concern is the safety and wellbeing of all our delegates and sponsors. I am confident that in June 2021, we all can gather at Rolls6 in London with revitalised enthusiasm and with even more participants’

IOM3 and the Rolls6 organising committee will be working hard over the next 15 months to deliver a successful Rolls6 event and hope everyone will join us next year.

We would like to take this opportunity to thank the industry for their understanding and in these difficult and challenging times.
