AGM & October Lecture

The Durham University Solar Car

Tuesday 2nd October 2018 – 6pm

Join us from 5:30pm for tea and coffee

Centuria Building, Teesside University TS1 3QD

**Prof David
Sims-Williams**
Professor of
Engineering
Durham
University

Every two years teams from around the world try to cross the Australian continent with cars powered only by the sun. While solar power means that the cars are “zero carbon”, the real relevance is in the engineering required to create a car that drives at highway speed on half the power of a hairdryer.

CIE lectures qualify for **C**ontinuing **P**rofessional **D**evelopment
