All Lectures are open to the public but aimed at those with interest in Materials, Minerals and Mining. All lectures start at 6.30 pm (unless otherwise stated) with tea and biscuits provided from 6 pm. Please tell your colleagues and anyone who might be interested. The lectures are open to non-members and are a free event.

If you are under 28 and would like to take part in the Lecture Competition (usually held in February) you can download the Rules and Regulation and the Entry form from our website at www.iom3.org/lms.

If you are teacher and would like your school to participate in the Annual Schools Event (held in June every year) or if you'd like your departmental/Company displays at the event or you'd like to help out sponsor the event please contact the society. Again further details can be found on our website.

If you are a new member of the IoM³ and live in the London area and would like to receive e-mails of notification of lectures, or added to the mailing list to receive information please e-mail pnpryce@hotmail.com.
